About the Rotary Club of Clearwater

Mission

The mission of Rotary International is to provide service to others, promote integrity, and advance world understanding, goodwill, and peace through its fellowship of business, professional, and community leaders. Our club was founded in 1924 by a group of ten Clearwater business men. Today, the Rotary Club of Clearwater is one of the largest service clubs in the Tampa Bay area, with approximately 100 members. Each year, our club hosts a fundraiser to support local charities. Over the years, we have distributed more than \$1 million to deserving local charities.

Rotary Club of Clearwater History

The Rotary Club of Clearwater was organized in 1924 by a group of 10 Clearwater businessmen. The club, whose membership now is approximately 100, was officially chartered by Rotary International on January 2, 1925 as the 1875th club worldwide; the first club President was Mr. Taver Bayly. There are now approximately 25,000 clubs in the Rotary world.

The Rotary Club of Clearwater is the oldest service club in Clearwater and one of the largest in all of Pinellas County. Through the years, we have undertaken numerous service projects – the first being the landscaping of what was then the “new” causeway linking Clearwater and Clearwater Beach in the 1920’s. Many of our projects has left a lasting mark on our community, such as the donation of the first mobile blood unit to the Hunter Blood Center. We were the first service club to make a major donation to the Performing Arts Center. Our Rotary Swim Meet was second in size only to the State Championship meet. And we have reached beyond our city boundaries and those of the United States to have a hand in inoculating whole countries against Polio through the Rotary Polio Plus program.

One of our members, Herbert G. Brown, served on the 14-member board of directors of Rotary International and later become international president of Rotary in 1995-96.
